DARANÀ®

DECORATIVE SYSTEM WITH LIQUID METAL EFFECT

IT IS NOT A PAINT.
IT IS AN EVOLUTION OF MATERIAL.

Daranà is an innovative system that reproduces real liquid metal in solid form. Highly three-dimensional surfaces capture light and transform any environment into a work of design.

- **REAL METAL EFFECT** Authentic reflections and dynamic
- **HIGHLY THREE-DIMENSIONAL SURFACES** Unique depth and materiality
- **APPLICATION WITH FOIL** Exclusive Daranà system
- **FOR WALLS, SOFT FURNISHINGS AND FURNITURE** Maximum versatility of use
- **HIGH AESTHETIC IMPACT** Perfect for design environments

1 OPEN SPACE – INOX
Contemporary design with refined metallic reflections.
Surfaces that enhance light and space.

2 BEDROOM – GOLD
Warm and sophisticated atmosphere.
Metal becomes emotion.

3 KITCHEN – INOX
Durability and design for modern environments.
The perfect balance between aesthetics and function.

4 DETAILS – GOLD
Real three-dimensionality that enhances every surface.
Every wall becomes the protagonist.

REAL METAL EFFECT
Authentic reflections and sophistication

HIGHLY THREE-DIMENSIONAL SURFACES
Depth, light and movement

APPLICATION WITH FOIL
Innovative system exclusive to Daranà

FOR INTERIORS
Suitable for walls, soft furnishings, furniture and accessories

HIGH AESTHETIC IMPACT
Ideal for design and luxury environments

INNOVATIVE AND REFINED
Combines science, materials and innovation

TECHNICAL DATA

Coverage:	approx. 14 m²
Daranà Measure:	21 x 64 ml
Available Colors:	Inox / Gold
System:	Daranà Foil + Decor Fix
Application:	Indoor

Package:
1 Daranà Foil (14 m²)
+ 1 Decor Fix 1 L

NIKKOLOR ITALIA

ITALIAN TECHNOLOGY • PROFESSIONAL QUALITY • EXCEPTIONAL RESULTS

MATERIAL BECOMES METAL. SPACE BECOMES DESIGN.

DARANÀ

DESCRIPTION
Daranà© is NOT a paint, and as such, it doesn't come in the traditional jar packaging typical of decorative products. It's a true innovation in decoration, allowing you to reproduce a metallic effect in liquid form. Its innovative structure allows you to decorate any surface: walls, ceilings, furniture, and furnishings can be enhanced with a simple gesture! DARANÀ© is the combination of science and innovation.

FIELDS OF USE
- ✓ Ideal for covering interior walls and ceilings intended for high-end design and for the renovation of public and private spaces, shopping centers, shops, bars, villas, and residences.
- ✓ A true innovation in modern architecture, a refined finish capable of creating three-dimensionality on the surfaces it covers, a timeless effect that adds a minimalist touch to your spaces.

SUBSTRATES
- ✓ Substrates to be treated with Daranà must be made of Cemento 3D or Marmorino Lime with the desired texture.

PREPARATION AND APPLICATION OF THE DARANÀ© METHOD
- ✓ The product is ready to use and does not require dilution.

1. Apply a single layer of Decor Fix using a brush, following the texture.
2. Spread the Daranà© foil over the still-wet Decor Fix, overlapping the foils by 1 cm, and proceed with this method over the entire surface to be decorated.
3. Leave to act for 2 hours (+20°C).
4. Remove the Daranà© foil from the surface.
5. Leave to dry for 24 hours (+20°C).

IMPORTANT NOTE
- ✓ If you want to make the surface washable, apply a single layer of ProteKto EcoSilan.

1. Apply a single layer of ProteKto EcoSilan using a brush.
2. Leave the product to rest for approximately 15 minutes (this may vary depending on the ambient temperature and/or (Seasonal)
3. Gently wipe the surface with a soft cotton cloth.
4. Let dry for 48 hours (+20°C).

TECHNICAL DATA
- ✓ Daranà© coverage: 14 m^2, variable depending on the texture used.
- ✓ Daranà© size: 21 x 64 ml.
- ✓ Color: Stainless Steel and Gold.
- ✓ Packaging: 1 Daranà© foil 14 m^2 + 1 Decor Fix 1 L.
- ✓ Do not apply the product at temperatures below +10°C or above +30°C.
- ✓ Safety information: Please refer to the latest Safety Data Sheet (SDS) for hazard classification, precautions for use, and personal protective equipment (PPE).
